

## Application Help & Information

### Site Evaluator Help

Use the Site Evaluator to get information about potential locations in New Jersey. General geographically-related information is available, as well as program eligibility information for the Economic Opportunity Act (2014) and housing programs administered by NJ HMFA. You can:

- Find a specific site location on the map. (See instructions below)
- Display information related to that location.
- Get information specific to the Economic Opportunity Act (2014.)
- Get information specific to housing programs administered by NJ HMFA.
- Generate a printable report.
- Toggle between reports for two or more locations.

### Map Navigation

**Zoom** (several methods):

- Double-click on the map.
- Click the + (or -) button.
- Shift + Click-and-drag on the map around an area of interest.

**Pan:**

- Click-and-drag on the map

## Application Help & Information

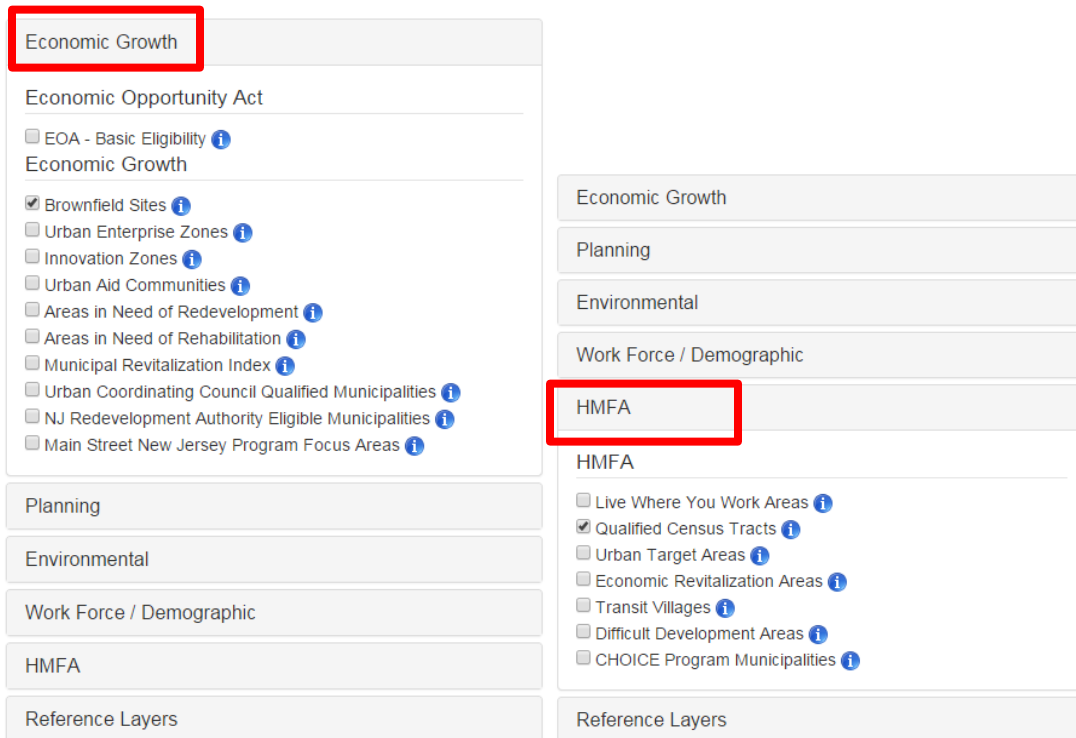

### Map Layer Information

#### Turning on layers:

-Click on the Layer List tab, upper left.

-Click on the subject header text to open a sub-list, then check the box for the layer. Uncheck to turn it off.

-Layers from different sub-lists can be turned on at the same time.

## Application Help & Information

### Getting details about layers:

- Click on the  to get a brief description of the layer and a link to more details.
- Click on the Map Legend tab to see the symbology for the layers you have turned on.

The screenshot shows a navigation menu with three tabs: "Map", "Layer List", and "Map Legend". The "Map Legend" tab is highlighted with a red rectangular box. Below the tabs, under the heading "Layers", two items are listed: "Brownfield Sites" with a small brown square icon, and "Qualified Census Tract" with a green diagonal striped square icon.

### Finding a Specific Site on the map

#### By Address:

- Click the Find Location By Address button, upper right

The screenshot shows three buttons in a row: "Parcel Search", "Find Location By Address", and "Help". The "Find Location By Address" button is highlighted with a red rectangular box.

- Enter a street address. You must have a street number. Zip code is helpful but not always required. Do NOT include NJ or New Jersey.

Example:

#### Find by Address

**Address:**

200 Riverview Plaza, Trenton 08611

## Application Help & Information

### By Block and Lot:

-Click the Parcel Search button.

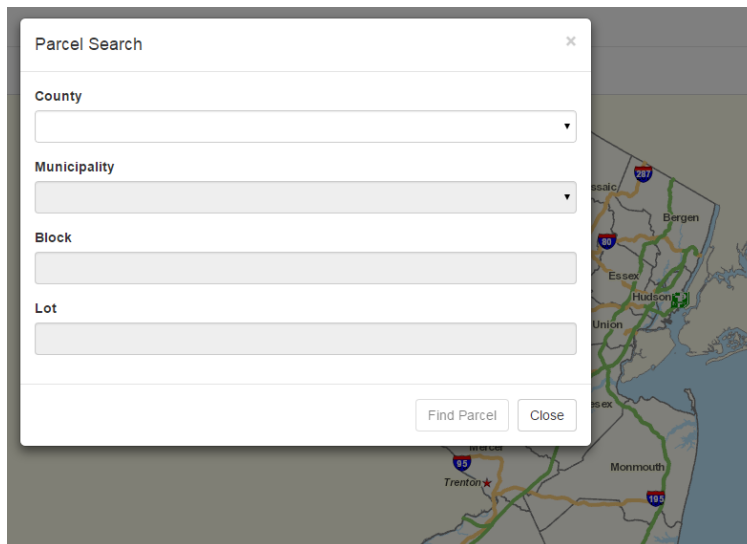

-Select the County of interest.

-Select the Municipality of interest.

-Enter the Block and Lot identifiers

-Click Find Parcel button.

### By Area of Interest:

-Navigate to area using map navigation tools and/or the County/Municipal search above.

-Slowly and deliberately, single-click on the location of interest. Wait for the red numbered tag to appear.

You can identify several sites and toggle between reports (see below.)

## Application Help & Information

### View Reports about Sites

-Note the number on the red tag for the location.

-Click on the matching Report tab (upper left.)

-Scroll down to see report information of interest. HMFA site report information is near the bottom of the page.
