STATE OF NEW JERSEY
TAKING CARE OF BUSINESS Site Evaluator - 2.0

Application Help & Information

Site Evaluator Help

Use the Site Evaluator to get information about potential locations in New Jersey. General geographically-related information is available, as well as program eligibility information for the Economic Opportunity Act (2014) and housing programs administered by NJ HMFA. You can:

-Find a specific site location on the map. (See instructions below)

-Display information related to that location.

-Get information specific to the Economic Opportunity Act (2014.)

-Get information specific to housing programs administered by NJ HMFA.

-Generate a printable report.

-Toggle between reports for two or more locations.

Map Navigation

Zoom (several methods):

Double-click on the map.

Click the + (or -) button.

Shift + Click-and-drag on the map around an area of interest.
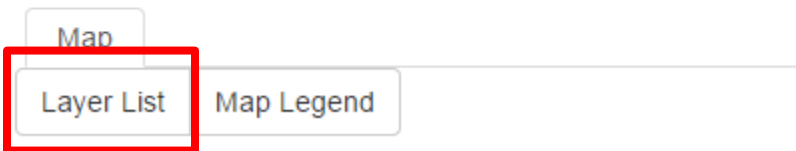

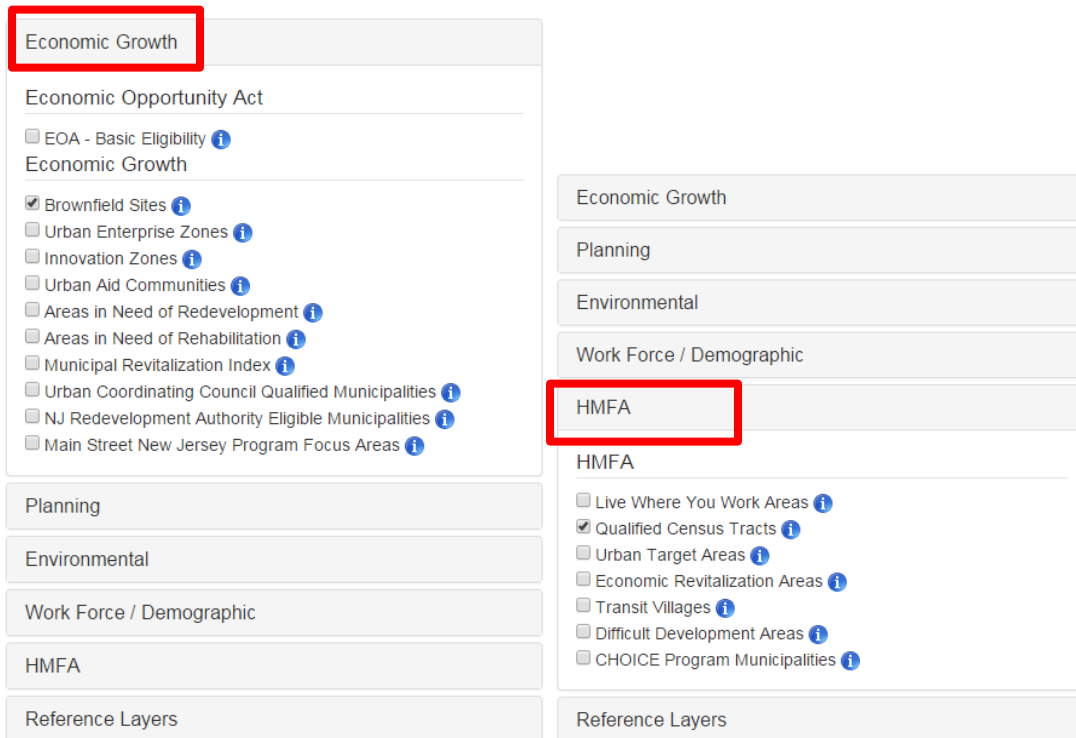

Pan:

Click-and-drag on the map

Map Layer Information

Turning on layers:

-Click on the Layer List tab, upper left.

-Click on the subject header text to open a sub-list, then check the box for the layer. Uncheck to turn it off.

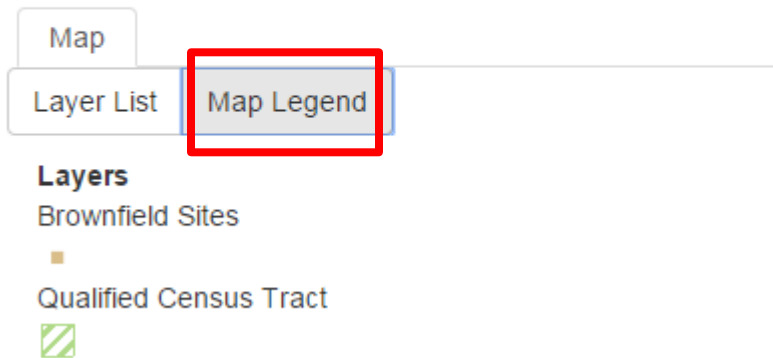

-Layers from different sub-lists can be turned on at the same time.

Getting details about layers:

-Click on the 🛈 to get a brief description of the layer and a link to more details.

-Click on the Map Legend tab to see the symbology for the layers you have turned on.

Qualified Census Tract

Finding a Specific Site on the map

By Address:

-Click the Find Location By Address button, upper right

Parcel Search	Find Location By Address	Help

-Enter a street address. You must have a street number. Zip code is helpful but not always required. Do NOT include NJ or New Jersey.
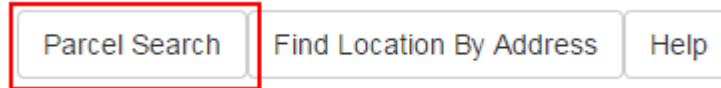

Example:

Find by Address

Address:

200 Riverview Plaza, Trenton 08611

By Block and Lot:

-Click the Parcel Search button.

-Select the County of interest.

-Select the Municipality of interest.

-Enter the Block and Lot identifiers

-Click Find Parcel button.

By Area of Interest:

-Navigate to area using map navigation tools and/or the County/Municipal search above.

-Slowly and deliberately, single-click on the location of interest. Wait for the red numbered tag to appear.
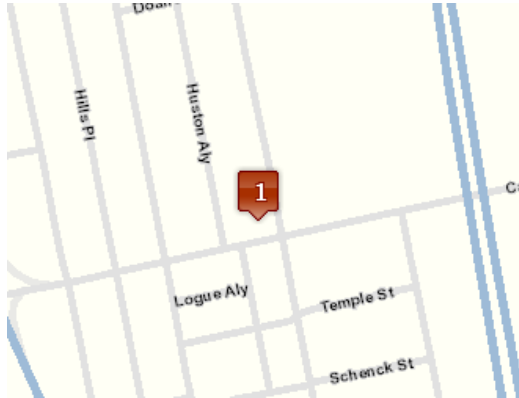

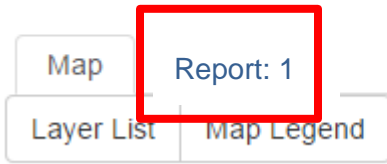

You can identify several sites and toggle between reports (see below.)

Application Help & Information

View Reports about Sites

-Note the number on the red tag for the location.

-Click on the matching Report tab (upper left.)

-Scroll down to see report information of interest. HMFA site report information is near the bottom of the page.

--

-Click a different Report tab to see information for another location you have marked on the map
