

Hold the Date for the...

26th Annual NJDEP GIS Mapping Contest!

GIS users from federal, state, county, municipal, local government, and non-profit agencies, as well as students are eligible to enter the contest. Attendance is open to all.

Theme: Hurricane Sandy - Response & Recovery

When: Thursday April 18, 2013

Time: 10:00 a.m. - 12:00 Noon

(Contestants please arrive by 9:15)

Where: First Floor - Public Hearing Room

NJDEP Building, 401 E State St, Trenton, NJ

Please join NJDEP for the Annual Mapping Contest. The event features the best non-commercial mapping in the State of New Jersey. Review the rules, categories and register online at the NJDEP GIS web site: <http://www.nj.gov/dep/gis>. We ask that all contestants pre-register (registration will open in mid-March) and submit a digital copy of their map after registration is confirmed.

This year we expect to see many maps generated as a result of Hurricane Sandy but any map that pertains to New Jersey is eligible (see the contest rules on the web site).

For Mapping Contest questions contact the Bureau of GIS Help Desk at 609-777-0672 or gisnet@dep.state.nj.us.
