

The 110th meeting of the DVRPC's Information Resources Exchange Group (IREG) in partnership with MAGTUG, will be hosting an event focused on Enterprise and GIS-T by Mid-Atlantic County Governments

The 110th-meeting of the Information Resources Exchange Group (IREG) is scheduled for:

WEDNESDAY, MARCH 13 2019 (10 am to 3) at DVRPC:

Coffee will be available at 9:45 am.

RSVP via TicketLeap

<https://dvrpc.ticketleap.com/ireg---enterprise-gis-by-mid-atlantic-county-governments/>

IREG and MAGTUG are each dedicated to sharing innovations and developments in information technology related in particular to geographic data, data sources, data management, and analysis, with a more particular focus on GIS for Transportation.

This meeting is to share stories of the state of the practice at the county level within the DVRPC and MAGTUG region.

Presentations
