

New Jersey Geospatial Forum
General Membership Meeting
Friday, June 5, 2009, 10:00 am

The presentation for the June 5th meeting is titled, “Look What I Did...”. This is a special opportunity to demonstrate your project to the members of the forum and an opportunity to learn how GIS is utilized within our community. Learn more from your peers regarding a specific topic or a project you would like to develop.

Here are the guidelines:

- The presentations will be limited to 5 minutes.
- PowerPoint, Internet Applications, or oral presentations.
- Pre-registration required, deadline is May 22nd, 2008.
- Limited to 15 presenters.
- In the event of more than 15 projects are submitted, projects will be selected by the Executive Committee to ensure a balanced distribution from the various constituency groups with priority given on the order submissions are received.
- Submit project descriptions to David Kunz (dkunz@sussex.nj.us). Please provide a brief project description and type of presentation (i.e PowerPoint) .
