

## Showcase of Lightning Talks

**Would you like to share an exciting project, application, or other use of geospatial technology?**

This is your opportunity to deliver a **6 minute** presentation on your geospatial work.

Possible Topics: Mobile Applications, Data Modeling, LiDAR Analysis, Programming, or any geospatial idea you would like to share.

There are only 12 presentation slots available this year

Contact David Kunz [dkunz@arh-us.com](mailto:dkunz@arh-us.com) by 5/19 to reserve yours.

Lightning Talks will be presented at the NJ Geospatial Forum

Tuesday, June 13<sup>th</sup>, 10 a.m. – noon

NJ OIT, ITC Room, 300 Riverview Plaza, Trenton, NJ 08611
