

Legislation-planning resources, links provided by Ron Kuzma, NJ DOT, NJ Geodetic Survey

National Geodetic Survey flyer on recommended legislative changes:

https://www.ngs.noaa.gov/datums/newdatums/nad-83_state-plane-leg-coord_flyer.pdf

National Geodetic Survey web page on State Plane Coordinate System Policy at 2022 datum changes:

<https://www.ngs.noaa.gov/SPCS/draft-policy.shtml>

Model State Plane legislation template. Note that although it includes a choice of foot units (US Survey or International), NGS now is saying they will only support International foot, or of course, meters.
