

# Geotechnology Ideas, Innovations & Applications

The 6<sup>th</sup> Annual Showcase of Lightning Talks at the New Jersey Geospatial Forum!

June 14<sup>th</sup> 10:00 A.M. to 12:00 P.M.

NJOIT, 1<sup>st</sup> Floor Conference Room, 300 Riverview Plaza, Trenton

**Do you have an exciting project, application or use of Geospatial Technology?**

This is your opportunity to give a 6 minute talk on your latest Geospatial idea and learn from other GIS professionals in the NJGF Community. Potential topics include: Web & Mobile Applications, GIS Analysis, Modeling, LiDAR, Programming, Creative GIS Projects, plus any Geospatial rant or idea you wish to discuss...

***Submit Presentation Ideas by May 24th***
