

Geotechnology Ideas, Innovations & Applications

The 7th Annual Showcase of Lightning Talks

At

The New Jersey Geospatial Forum

Friday, June 6th 10:00 a.m. to 12:00 p.m.

NJ Office of Information Technology, 1st Floor ITC Room,
300 Riverview Plaza, Trenton, NJ 08611

Do you have an exciting project, application or use of Geospatial Technology?

This is your opportunity to give a 6 minute talk on your latest geospatial idea and learn from other GIS professionals in the NJGF Community. Potential topics include: Web & Mobile Applications, GIS Analysis, Modeling, LiDAR, Programming, Creative GIS Projects, or any Geospatial rant or idea you wish to discuss.

If you would like to give a talk, please contact:

Chris McClain cmcclain@brickmua.com

or

Trish Long trish.long@nj.usda.gov
