

NJGIN Outage on Dec 14th

A planned outage of NJGIN will be occurring on Thursday, December 14, 2017, due to required maintenance. It will begin at 11:00 a.m. and go for an hour or more. This will affect the following applications:

- NJGIN Explorer owned by NJOIT - OGIS
- Land & Building Asset Management (LBAM) owned by Treasury, OMB
- MVC clean air owned by Motor Vehicle Commission.

The previously announced outage of December 7th will not be happening. Please plan accordingly.
