

All applications hosted by the New Jersey Office of Information Technology's Office of GIS are scheduled to be down from 5:30 p.m., Sunday, August 13th through 8:00 a.m. on Monday August 14th, 2017.

This is due to major work being done as part of a network upgrade.

In the event that any GIS application or service is not up and performing as expected by Monday 8:00 a.m., please notify njgin@oit.nj.gov
